

# 2019

Vintage Report

CALITERRA®

In Caliterra, even though the 2019 vintage was marked by a decrease in the rainfall rate compared to previous season, a stable spring favored nice fruit-set and an impeccable sanity of vineyards. Summer temperatures above the historical average allowed to obtain smaller and more concentrated berries, full of color, with intense flavors and aromas. The grapes reached their optimum maturity faster than normal, which allowed us to begin harvest earlier than usual, obtaining wines of great intensity and complexity.
